A. MODULAR BATTLEFIELD & FOG OF WAR

Explore uncharted territory. Discover valuable resources and gain strategic advantages.

B. RESOURCE MANAGEMENT & BASE BUILDING

Secure valuable Barrinium fields, grow your economy and expand your base to unlock new military capabilities

C. HIDDEN QUEUES & ANNOUNCEMENTS

Your opponents can see that something is in production and when it will be ready, but not what. Guess their plans and prepare for surprises.

D. TACTICAL CHOICES & COMBAT

Every unit and building has unique strengths and weaknesses. Use timing and positioning to turn them into your advantage.

EXPANSIONS AVAILABLE

FOR EVEN MORE STRATEGIC OPTIONS

15 blind playtest sessions. Core game complete.

Digital version in TableTop Simulator in development for publisher review.
